

FAITH & DISCIPLESHIP

READ Article 61: *Faith: Our Response to Revelation*

DEFINE the following categories of expressions of faith:

CHARITY

SERVICE

JUSTICE

INDIVIDUAL PRAYER

COMMUNITY PRAYER

LITURGY

SACRAMENTS

SEARCH the Acts of the Apostles (*in the New Testament*) for examples of discipleship and different applications of faith.

Read through the Acts of the Apostles. Look for ways that the disciples lived out their faith, particularly through acts of charity, service, justice, individual and communal prayer, liturgy, and sacraments. Although some of the disciples portrayed in Acts of the Apostles did know Jesus, such as Peter and James, many were more like us -- people who were given the gift of faith and said, "yes!"

WORK in pairs to find as many passages as you can that illustrated the categories of expressions of faith.

- 1. Write down the Scripture citation**
- 2. Decide what category or categories of faith it falls into.**
- 3. Briefly describe what is going on in the passage.**
